Dear Parent of T-ball Player at 3&2:

We hope your first season of baseball at 3&2 was enjoyable and that your child had a great time and learned more about baseball.

If your child will be entering kindergarten this fall, the next stage at 3&2 is coach pitch. The coach pitch season begins in mid-May and games are played on weekdays as well as weekends. The season will be played at our west complex at 8000 Monticello Road. 3&2 will continue to provide uniform shirts and hats, along with a bag of equipment for every team.

Registration for the kindergarten coach pitch program will start in December and conclude in early February.

An on-line manager's application is available on 3&2's web site under "Registration" if you are interested in managing a team.

During the T-ball years, we try to build teams based on where the children currently attend pre-school or where they will attend kindergarten. As we move into kindergarten coach pitch, our rules state that teams are formed by public high school attendance area.

Please note the progression of baseball at 3&2 that your child will play as they get older. If you would like more information about programs at 3&2, see our web site at [www.3and2baseball.com](http://www.3and2baseball.com).
