

January, 2012

3&2 Umpires and Prospective Umpires:

**All umpires, whether new or experienced**, should attend 3&2's Umpire Academy, a series of training sessions, starting Monday, March 19. See entire class schedule below.

Time	Date	Place
7-8 pm	Monday, March 19	SM North Auditorium (7401 Johnson Drive)
6-8 pm	Sunday, March 25	SM South Cafeteria (5800 W 107th St)
6-8 pm	Sunday, April 1	SM South Cafeteria (5800 W 107th St)
6-8 pm	Monday, April 9	KC Sportsclub - 3610 W. 95th Street

All umpires are required to attend. Returning umpires will need to verify with me if you cannot attend a meeting. New umpires (must be in 8<sup>th</sup> grade this school year or older) are asked to attend all the meetings. However, with the many school functions, we ask that you attend as many as possible. The more meetings you attend, the better the chance you have to be hired for the summer.

Please bring paper and pen to each class. You will be supplied with a 3&2 Umpire Academy manual.

There are no fees for this class. Please bring your social security number, mailing address, any and all phone numbers and e-mail addresses. Do not buy any equipment or clothes at this time.

Scheduling and confirming will be done by the on-line scheduling program called the Arbiter. If we don't have your e-mail address, it will be very difficult to schedule you.

The season begins the weekend of March 23-25 with an opening weekend tournament. You need to e-mail me the dates you cannot work in March and April as soon as possible. My e-mail address is [johndehan@3and2baseball.com](mailto:johndehan@3and2baseball.com).

I look forward to seeing you at the 3&2 Umpire Academy.

John Dehan  
Umpire-In-Chief  
The 3&2 Baseball Club of Johnson County

The 3&2 Baseball Club of Johnson County is a private, 501(c)(3) non-profit corporation serving the youth of our community since 1951. Unlike other area youth sports organizations, 3&2 receives no federal, state or local tax dollars. It is independently governed by a 13-person volunteer board of directors and has four full-time staff members directing the activities of more than 500 teams and 7,000 players. Each player, coach and family involved in the program is a member of the Club. We welcome your assistance and invite suggestions for keeping 3&2 a model organization.
