3&2 Baseball
Fall Ball Team Drink & Snack Program

What is the Team Drink & Snack program?	Each player needs refreshment at the end of the game. The 3&2 Team Drink & Snack program allows teams to pre-buy the entire season of post-game 12 oz drinks (75¢) and / or personal-sized snacks (rice crispy treat, chocolate chip granola bar, goldfish crackers) (50¢) per player per game.
Where are the drinks & snacks distributed?	At the conclusion of each game, one team representative should go to the team drink window at the concession stand. This person will receive the pre-determined order of drinks & snacks in a tray for easy transport back to the team.
Why should our team do the team drink & snack program?	Somebody wins, somebody loses, but everyone enjoys the drinks & snacks at the end of the game. For just $1.25 for both the 12 oz drink and the personal-sized snack, the team drink & snack program is an easy and convenient way to provide post-game refreshment.
How do I participate?	Complete the registration form, make your check payable to 3&2 Concessions and return all items by August 14, 2009 to: **3&2 Concessions, Attn: Sally Withers, PO Box 14011, Lenexa, KS 66285**
