

## Practice Field Information

**The number of practice fields that 3&2 has to distribute to its teams seems to shrink each year. If a team has another practice field option, 3&2 highly recommends that they pursue it before requesting one through 3&2.**

The **Shawnee Mission School District** now charges \$1/hour for all practice field time. The process that 3&2 will use to distribute and collect for practice field time is as follows: On a first-come, first-serve basis at the 3&2 office when a manager or team representative turns in completed team registration (roster, waiver and fees) they can select one 1½ hour practice time on an age appropriate field. Once all teams have had an opportunity to select a time slot then a second slot option will be made available to all teams.

**Blue Valley** will open up field times that are left (once BVRC has taken what they need) to other teams. The fee is \$5 per use and times will be limited. Contact the Blue Valley School Facilities Office for more information.

The **Desoto/Mill Valley** field at Monticello Trails Middle School (south field) will be distributed by 3&2 to teams based on the order in which teams turn in their complete roster, waiver and fees. This field is for Desoto/Mill Valley teams only.

The **City of Shawnee City** fields are rental fields (\$5.25 per 1 ½ hour slot). Managers can go the Shawnee Civic Center starting February 1<sup>st</sup> and rent time with Shawnee residents getting first priority then on March 16<sup>th</sup> all remaining times can be reserved by other teams. **Team roster and rental fees are required at time of rental.**

**Olathe** – contact the Olathe city recreation department at 971-6263.

The **City of Prairie Village** will only reserve field to residents, coaches must go through the Prairie Village City Recreation Department at 381-6464.

**For all permits issued by 3&2 there will be a \$5 permit fee.**
