Scheduling Conflicts

We will do our best to work around scheduling conflicts if you tell us by Tuesday at 10am the week of the event. Please be very specific and record your request here. Please only ask for times that impact most of your team members. Please do not request that we work around the schedules of individual players.

-
- Good example of a specific request. "Can't play before 11:45am nor after 7:15pm on Saturday."
 - Example of a scheduling request that requires more information. Please use specific beginning and end times when you have conflict. "Can't play Saturday night."

Attention 14U level teams – each qualifier tournament weekend will feature a AAA/Major 60/90 distance option.

Check here if you want to participate in the 60/90 distance option bracket _____
